HURLEYS SOLICITORS

Hurleys
SOLICITORS LTD

Client: Hurleys

Sector: Professional Services

A TOTAL IT INFRASTRUCTURE REFRESH.

Established in 1989, Hurleys Solicitors now have 2 offices, both based in Bournemouth. Known as a friendly and approachable company they offer a full range of professional services. They are contracted with the Legal Aid Agency in Crime and Family Work. This means that Hurleys are one of just a few firms in Bournemouth able to carry out publically funded work for clients who are eligible.

THE CHALLENGE

Enhanced started working with Hurleys in 2013 when they totally replaced their existing infrastructure and old hardware. In 2016, the company added a second premises and needed help, in terms of IT requirements, with this expansion. Enhanced were asked to supply a secure link between the 2 offices including internet and network connectivity for the new office.

THE SOLUTION

Since working with Hurleys, Enhanced have totally replaced and installed the latest IT infrastructure and security systems bringing the company's IT hardware up to date in both premises. This included installing a new virtualised server, workstations, Kaspersky Antivirus, WatchGuard Firewall and Symantec Email Security.Cloud. To ensure the smooth running and continued guidance of Hurleys IT infrastructure, they have remote network support contract with Enhanced which includes proactive monitoring.

THE RESULTS

Because of the work and partnership between the two parties, Hurleys now have an up-to-date and reliable IT Infrastructure with improved performance. Both offices are securely connected with the assurance of first class protection for both themselves and their clients.

THE BENEFITS

- Effective reliable security solutions
- Robust and current IT infrastructure
- A dedicated Enhanced Account Manager
- Proactive monitoring

"We are delighted to be working with Enhanced. They understand our business and have helped us immensely in our expansion programme. Always there for help and advice, it is excellent to know that we work with professionals dedicated to providing first class service."
